

## Graffiti Removal Chemicals

	Brick	Concrete	Limestone	Sandstone	Polished Masonry	Wood	Painted Surface	Metal	Polycarbonate
Graffi Cut					●	●	●	●	●
Graffi Green					●	●	●	●	●
Graffi Wipes							●		●
Graffi Clean 300/400	●	●	●	●	●	●		●	
Graffi Ghost	●	●	●	●	●	●			
Graffi Ghost Rinse	●	●	1	●					
Graffi Ghost Poultice	●	●	●	●	●				

1 Use Prosoco Limestone Afterwash

## Notes

- 1 Graffi Clean 300/400, Graffi Ghost and Graffi Ghost Rinse work as a progressive removal system
- 2 Graffi Ghost Poultice is for removal of deep ghosting where the above has not been completely effective e.g. marker pen on Portland Stone
- 3 Always test prior to use
