Product Data

Algo Bio Inhibitor

Description and use

Algo is a non hazardous ready to use product that will effectively remove and inhibit future growth of algae, organic growth, and all micro-organisms on a multitude of surfaces. Algo has the unique ability to prevent regrowth for a period of up to 3 years.

Equipment

Apply with brush or low compression sprayer

Pretesting

Always test each type of surface to ensure suitability and desired results. Apply test area according to the following application procedures.

Technical Data

Form:	Fluid
Odour:	Odourless
Colour:	Colourless
pH:	7.8

Directions on: Wood and masonry surfaces.

Apply undiluted product by spray or brush, algae and other organic growth will begin to die after 24 hours, and will generally be washed away by wind and rain over the next few days. Heavily affected areas may require pre-cleaning and/or a second treatment. Apply to a visibly dry surface.

Note:

After application of Algo, results can sometimes take up to two weeks, dependant upon the type of algae. Once Algo has killed the algae, it can take time for the dead spores to be blown away. In addition, the conditions have to be taken into

consideration wind, rain, sun and shade all determine how long the area stays clean.

Slow growing algae will take longer to disappear but also a lot longer to reappear, whereas quick growing will disappear more quickly and reappear sooner.

Directions on: Hard surfaces.

Algo is effective in controlling most bacteria and micro-organisms on a multitude of surfaces, after initial removal of heavy surface contamination. Algo should be applied and left to dry, it will form an invisible film on the surface that will inhibit future growth of bacteria and all micro-organisms as well as associated unpleasant organic odours.

Coverage Rates

Coverage rates will vary according to the character of the surface however 12m² per litre is a good guideline.

Packing

4 x 5 litre plastic containers

Safety Information

Wear suitable PPE – goggles and gloves to avoid splash to bear skin or eyes, although the product is not an irritant. Always refer to material safety data sheet before use.

Shelf Life

Algo may be stored for up to 1 year in a tightly sealed, unopened container, and in a frost free environment.
